ABOUT US

Diluso furniture and design ltd offers a wide range of office furniture, cabinets, home furniture and decor. Our logistics team works diligently behind the scenes, making sure that your project runs smoothly. We are meticulous.

From project management to tracking every part of an order including shipping dates, on-site dates, back-order notifications, logistics tracking and more. We collaborate across our business from sales to design, manufacture and installation, to ensure our product is completed on time and within budget.

Our team works through a 'tried and tested' planning process to ensure there are no 'loose ends' at the job site and everything meets your satisfaction. From product to job site meetings with contractors, our project managers have the experience, process knowledge and dedication to deliver a flawless project. In addition to our expertise, we remain committed to regular informative communication that leaves a lasting impression on our clients.

OUR TEAM

Our team's collective experience and out-of-the-box thinking ensure that your project is completed in style, on time, and on budget. We're committed to delivering exceptional quality and craftsmanship in every detail, from the initial design concept to the final finishing touches.

In addition to our talented in-house team, we also partner with leading trade specialists and suppliers who share our commitment to excellence. Our trusted partners provide specialized expertise and high-quality materials to ensure that your project meets our exacting standards and exceeds your expectations.

OUR PROCESSES

Site Visits

We are pleased to offer our clients up to three complimentary site visits, where we'll come to your space to take measurements and assess the potential for your project.

Once we have a clear understanding of your space and your vision, our team will create a stunning 3D design for your approval. This allows you to visualize the final outcome and ensure that every detail is just as you envisioned.

At our interior design company, we're committed to providing exceptional service and attention to detail at every step of the design process.

OUR PROCESSES (Cont'd)

Variety of Designs & Colors

We pride ourselves on providing expert advice and guidance to our clients throughout the design process. Our experienced team will work closely with you to understand your unique style and preferences, and then offer a wide variety of design options for you to choose from.

Whether you're looking for a traditional, modern, or eclectic design, we have the expertise and resources to bring your vision to life. From color schemes and furniture selection to lighting and accessories, we'll help you create a space that perfectly reflects your personality and lifestyle.

At our interior design company, we believe that every client deserves a customized approach and a space that's truly one-of-a-kind. We understand that color plays a crucial role in creating a beautiful and cohesive space. That's why we're pleased to offer a wide range of color options for your wardrobe and kitchen design.

Our team of experienced designers will work closely with you to understand your style and preferences, and then recommend a variety of color options that will complement your space and reflect your unique personality. Whether you prefer bold and vibrant hues or soft and neutral tones, we'll help you choose the perfect color scheme to achieve the look and feel you desire.

At our interior design company, we believe that every detail counts, including the color of your wardrobe and kitchen.

OUR ADDITIONAL SERVICES

At Dilusso, we're proud to offer a wide range of additional services to help bring your design vision to life. In addition to our expert design services, we also provide cutting-edge technology and modern machinery to customize your project.

We offer precise and efficient cutting of boards to any size, using state-of-the-art machinery that ensures a flawless finish every time. We also provide edge banding services, which helps to protect and enhance the look of your boards, adding an extra layer of durability and style to your design.

At our interior design company, we're committed to providing exceptional quality and craftsmanship in every aspect of our work
